

Compact and polyvalent gate closer, fits every gate situation

LION (Patented)

The attractive and compact Lion gate closer is unique in its kind. This hydraulic all-rounder is fit for every possible gate situation. Moreover, both 90° and 180° railsets are included in the package, allowing for more flexibility on site. The anodized aluminium housing combines a handsome look with a durable and spotless functioning for many years. Choose the Lion-VTC Drill for an even faster installation.
